REQUEST FOR CLARIFICATION AND RESTARTING THE PERIOD OF REPLY UNDER MPEP §710.06

This Request is being filed within two months of the mailing date of an Office Action dated February 9, 2009. As explained below, this Request is being filed on the basis that Applicants respectfully believe the Office Action contains errors that affect Applicants' ability to reply to the Office Action.

Because this error is being called to the attention of the Office within the period for reply set in the Office Action but more than one month after the date of the Office Action, Applicants hereby request the Office set a new period for reply to substantially equal the time remaining in the reply period, but at least one month.
